BRANDYN SCHIMPF

*“ I continue to look forward to being a member of the PTA, ”
I am thankful for all the opportunities it has brought, and all the friends it has made.*

My Name is Brandyn Schimpf, I am 19 years old and I live in Landingville, Schuylkill County PA. I am honored to carry on the tradition from my father, and have been hunting since the age of 8. Hunting and Fishing has truly formed me into the young man I am today. As a former cyber school kid, I have spent many days standing in the creek, and all day tree stand sits during the rut. My passion for hunting and fishing has spread and created my passion for Taxidermy. I attempted my first piece when I was 16 years old, and haven't stopped since. I am thankful that I became involved with the Association that same year. I have attended all shows since then. I am very thankful for the seminars that I have attended, which I feel have given me a major jump step in the right

direction. The opportunity to compete has also been a great opportunity. Hearing the critique from the judges is a great way to Improve.
I am currently leaping full force into the industry, I am committed to being successful in this industry. I am in the process of a full remodel to suit a full time Taxi Service. I am slowly gaining reliable clients who I am making great relationships with. I favor mounting game heads, but I also enjoy mounting predators, and painting replica fish. I am also mounting waterfowl, but not for clients at this time. I continue to look forward to being a member of The PTA, I am thankful for all the opportunities it has brought, and all the friends it has made. If anybody has any opportunities for me, please reach out @ 570-449-5668
