C J Fegan

Hello, this is C.J. Fegan and I am from Edgewater, Maryland. I work at Fegan's Taxidermy, a father-son business (think American Chopper). My Father, Charlie, has been a great teacher and mentor. He was a waterman on the bay for 17 years before opening Fegan's Taxidermy in 1979. I have been with him full-time for nearly 10 years now, but I just began competing 2 years ago. I graduated from Salisbury University in 2007 with a Bachelor's degree in marketing, but I wasn't cutout for a career that doesn't allow facial hair. Taxidermy gives you that feeling of productivity at the end of the day that drives me to work harder (except fleshing days). In October of 2010 I married my high school sweetheart Jennifer. She understands and appreciates the demands of my chosen career path, and I wouldn't be the man I am without her love and support. In my free time I enjoy boating on Chesapeake Bay, drinking a cold beer around a bonfire, NASCAR races, and I am an avid bow hunter. I would truly like to thank the PTA and all of its board members for their hard work. Your show is awesome, the people are super friendly, and the location rocks.
